1. Greeting

Welcome to JEIMUN 2025, where delegates, chairs, and organizers come together to explore the power of diplomacy and dialogue in shaping a more equitable world. This year, we delve into the vital and thought-provoking theme of the moratorium on the use of the death penalty, a topic that challenges us to reflect on justice, human rights, and the value of life itself. As we engage in debates, negotiations, and collaboration, let us embrace the opportunity to broaden our perspectives, strengthen our understanding of global issues, and foster lasting connections.

We are eagerly looking forward to seeing all the wonderful delegates debate, interact, and socialize, creating memories that will inspire and empower us to shape a brighter future together.
